

Prot. No. 19-009

**Decree of Extinctive Union of
St. Rose of Lima Parish, St. Bernard Parish, and Holy Cross Mission**

Decree of Establishment of Saint André Bessette

Preamble

St. Bernard Parish was established in 1857. The original territory was quite large, likely extending from Rockingham to past Truro. There was no church building when the parish was first established, and the priest travelled throughout the territory and said Mass in private homes. The first church was built in Nine Mile River, and was moved to the present site around 1862. The church was destroyed by fire in March 1944, and was replaced with the present church in 1960.

St. Rose of Lima Parish began in 1884 as a mission of St. Bernard Parish in Enfield, with a small church in Windsor Junction. It was erected as a parish in 1951. As the Catholic community grew, an addition was added to the church in 1955. A new, larger church was eventually built in Fall River in 1990 and blessed by Archbishop Hayes.

Holy Cross Mission Church was built in 1988, originally as a mission of St. Bridget Parish in Shubenacadie. Much of the construction work was undertaken by volunteers in the community. Holy Cross has been served from St. Bernard Parish since around 2006.

Recently, with the steady decrease in Mass attendance across the province of Nova Scotia and accompanying financial restraints, the decline in the number of priests available to serve the parishes, the continued secularization of the culture, and a desire to consolidate parish ministries and services, decisions regarding the configuration of parishes in the Archdiocese of Halifax-Yarmouth were required.

Consultation & Decision

In 2017 I released a diocesan pastoral plan, *Equip the Saints*, to begin to address these challenges to our local Church. Among other initiatives, the plan proposed a reconfiguration of our parishes to help us more fully orient our temporal goods and

pastoral activity towards fulfilling the mission of Jesus Christ. All clergy and parishioners were encouraged to read, discuss, and reflect on this plan, and invited to submit any questions they had. I, along with members of my diocesan staff, personally responded to this feedback at the 2017 Assembly of the People of God, our annual diocesan adult conference, in October 2017. In February 2018, members of the parishes were invited to participate in a diocesan-wide Lenten Video Series, which outlined the vision and general timeline for restructuring. At that time parishioners were asked to send in questions, concerns, and comments about this vision by the Feast of Pentecost (May 2018).

Additionally, clergy from each region of the diocese were specifically consulted and asked to submit proposals, developed in consultation with their lay leaders, for new parish configurations by June 30, 2018. I met with clergy from the North Region, including St. Rose of Lima and St. Bernard Parishes, on March 9, 2018.

Using the proposals and feedback from clergy and laity, my staff and I developed an action plan titled *New Parishes: Stronger Together*. This first draft was shared with the clergy of the entire diocese during two days of consultations in October 2018. Following these meetings, a revised draft of the plan was presented to all the faithful at the October 2018 Assembly of the People of God, with further input from the faithful sought until mid-November 2018.

On December 6, 2018 a final draft of the plan – which included the establishment of a new parish comprising St. Rose of Lima, St. Bernard, and Holy Cross – was presented to all the clergy for final discussion. Having heard the clergy, the Presbyteral Council was consulted, and accepted the proposed parish configurations on December 6, 2018. The action plan was launched January 1, 2019.

A transition team was established in February 2019, comprising parishioners, staff, and the pastor of St. Rose of Lima and St. Bernard. This team informed and involved parishioners of all three communities in determining the necessary facilities, human resources, and administrative structures of a new parish, as well as determining a name deemed appropriate to the community's charisms and devotions.

The transition team met a total of seven times between February and September 2019, including a meeting with our archdiocesan Business Office. The Transition Team presented three written reports to their communities, in May, June, and July 2019. In September 2019, the pastor and transition team recommended that Saint André Bessette Parish be established, comprising St. Rose of Lima Parish, St. Bernard Parish, and Holy Cross Mission. The recommendation included the retention of St. Rose of Lima, St. Bernard, and Holy Cross as worship spaces.

Whereas the parishioners of St. Rose of Lima, St. Bernard, and Holy Cross were all invited to provide recommendations about the diocesan reconfiguration generally and their own parish merger specifically;

Whereas Rev. Michael Walsh, pastor of St. Rose of Lima and St. Bernard, submitted a letter to me dated September 27, 2019 requesting the merger of St. Rose of Lima, St. Bernard, and Holy Cross;

Whereas the Council of Priests was apprised of the situation of these three communities on December 6, 2018 and the Council agreed with the proposal for these communities, effective January 1, 2020. Additionally, on October 31, 2019 the Council voted unanimously on a specific motion to create the new parish of Saint André Bessette;

Whereas the spiritual needs of the parishioners of the three communities have been closely considered and are able to be met through the creation of this new parish;

Whereas Canon 515 §2 of the *Code of Canon Law* gives the diocesan bishop the authority to erect, suppress or alter parishes, after he has consulted the Presbyteral Council of the Diocese;

Whereas the Directory for the Pastoral Ministry of Bishops, *Apostolorum Successores*, of February 22, 2004 reminds the bishop that he has the responsibility of proceeding, after consulting the Presbyteral Council of the Diocese, to alter territorial boundaries, to merge smaller parishes, to establish new parishes for the pastoral service in the community, or even to reorganize completely the arrangement of parishes within a particular city;

Whereas the Directory for the Pastoral Ministry of Bishops reminds the bishop that he has the responsibility to organize the arrangement of parishes in ways adapted to the care of souls, according to a vision of the appropriate use of resources in the diocese (nn. 214-251).

Therefore, invoking the authority given to me as the Archbishop of Halifax-Yarmouth, and from canon 515 §2, and judging that all the conditions have been met, I hereby decree that, effective January 1, 2020, St. Rose of Lima Parish, St. Bernard Parish, and Holy Cross Mission will be merged to create one parish, called Saint André Bessette.

I furthermore decree as follows:

- The territory that composed the former St. Rose of Lima Parish, St. Bernard Parish, and Holy Cross Mission will henceforth compose the territory of the new parish;

- St. Rose of Lima, St. Bernard, and Holy Cross will be places of worship for the new parish;
- The parish records and sacramental registers of the former parishes shall become the responsibility of the new parish;
- The real property – lands and buildings – of the former parishes shall, upon their merger into the new parish, become the property of the new parish, to be maintained, administered, alienated, or otherwise disposed of in accordance with civil and canon law;
- Any monetary funds of the former parishes that were previously designated as "restricted," shall continue to be maintained separately as part of the patrimony of the new parish, and used solely for those purposes for which they were restricted;
- After payment of any outstanding debts, any remaining monetary funds of the former parishes shall automatically become the patrimony of the new parish; likewise, any outstanding liabilities of the former parishes shall automatically become the responsibility of the new parish (see Canon 121).

Anyone who feels aggrieved by these decrees may have recourse following the appropriate procedures outlined in the *Code of Canon Law* (Canon 1734).

It is my hope and prayer that the parishioners of St. Rose of Lima Parish, St. Bernard Parish, and Holy Cross will accept this decision in a spirit of faith. May this new parish be a sign of the commitment and vitality of the parishioners as they continue to grow and serve as a vibrant Christian community in the Archdiocese of Halifax-Yarmouth.

Given at Halifax, NS under our signature, the seal of the diocese, and the signature of the chancellor this 3rd day of December in the year of our Lord, two thousand and nineteen.

 † Anthony Mancini
 Archbishop of Halifax-Yarmouth

 Rev. Mr. Robert Doyle
 Chancellor
