Parish Hospice Palliative Care

Do you feel called to visit the sick, terminally ill, dying and bereaved in your parish community? As a member of a Parish, you would represent your parish community by journeying with a person and being a loving support by listening, with some understanding of the challenges with which they may be coping, to ease the suffering and improve quality of life. Would your parish like to enhance the outreach ministry to include palliative care volunteer visits?

A Parish Hospice Palliative Care Course is provided for volunteers who wish to serve in the parish community.
