# Eucharistic Congress 2024

**Theme:** Communion to Heal the World

The Eucharist, the Body and Blood of Christ, has the power to heal the wounds of our world. The Congress will break open five ways in which the Eucharist heals. It can...

1. RESTORE: It restores our relationship with God.
2. UNITE: It strengthens the unity of the Church.
3. INSPIRE: It calls us to worship.
4. SERVE: It commits us to serve the poor and marginalized.
5. EQUIP: It empowers us for mission.

Our logo:

- Our logo is circular with a Host and Cup at its centre; the Eucharist/Christ is central to our lives.
- The five ways that that the Eucharist heals surround the central image in five sections with simple images to symbolize each of the above themes.
  - RESTORE: It restores our relationship with God. Symbolized by a Cross reminding us of Christ's crucifixion and resurrection that reconciled us with the Father.
  - UNITE: It strengthens the unity of the Church. Symbolized by hands coming together to unite ourselves in Christ's love and shared mission.
  - INSPIRE: It calls us to worship. Symbolized by the bible/scripture recalling for us the Liturgy of the Word that leads us to the Table.
  - SERVE: It commits us to serve the poor and marginalized. Symbolized by a hand holding a heart reminding us to witness Christ's love in our service to others.
  - EQUIP: It empowers us for mission. Symbolized by the dove; the Holy Spirit who pours out the gifts needed to carry out the mission Christ entrusted to us.
